II. 2026 GUIDELINES & INSTRUCTIONS TO OWNERS SEEKING AUTHENTICATION OF THREE-DIMENSIONAL WORK ALLEGEDLY CREATED AND PRODUCED BY JU MING

These Guidelines and Instructions are established to assist domestic and overseas owners in the authentication of the Three-Dimensional work allegedly created by JU Ming.

1. Time Limit for Issuing Requests

The Foundation will accept completed and duly notarized “Application Documents” delivered by mail addressed to the Foundation bearing a postmark date within the period from April 1st through May 31st, 2026.

2. Work Acceptable for Examination

In accordance with these Guidelines and Instructions, the Foundation conducts authentication to determine whether the Three-Dimensional work submitted by the applicant is indeed created by JU Ming.¹ The Foundation reserves the right to accept or decline authentication requests at its sole discretion. Each application is limited to the authentication of a single work.²

3. Legal Owner Only

The applicant must be the legal owner of the WORK submitted for authentication. Application from agents or individuals who do not hold ownership of the WORK will not be accepted. Additionally, all “Application Documents” must be personally signed by the applicant.

4. Request Documents Notarization

Owner(s) seeking authentication of the WORK is advised to read and understand thoroughly the 2026 Guidelines & Instructions and prepare required forms and documents truthfully and accurately (hereinafter “Application Documents”). The “Application Documents” must be bound in a binder bearing the Owner’s personal seal or signature on each perforation with duly notarized by the court or a commissioned public notary. The request for authentication shall then be submitted to the Foundation by mail with One notarized “Application Documents.” For the purpose of the Owner’s request for authentication by the Foundation, “Application Documents” mean --

- (1) A signed Owner’s Statement;
- (2) A photocopy of the “2026 Guidelines & Instructions to Owner(s) Seeking Authentication of Three-Dimensional Work Owned and Allegedly Created and Produced by JU Ming”;
- (3) A signed Request Form;
- (4) A signed Letter of Consent allowing the Foundation to take the materials of the WORK for sample;
- (5) Pictures of the WORK proposed for authentication;
- (6) Photocopy of owner’s passport the cover and data pages each;

¹ For possible authentication results, please refer to Section 5.(3)b of these Guidelines and Instructions.

² A single piece of the WORK means a component piece of another work that may be separated and removed from that other work and stands as itself as an independent piece of work. Owners seeking authentication of the WORK (with or without a stand) must separately issue a request on each of the component pieces of work. Please contact the Foundation to determine the number of requests needed, if necessary.

- (7) Photocopy of the bank receipt on the wired Payment of the Authentication Fee;³
- (8) Certificate of Authenticity and Proof of Purchase;
- (9) Supplemental Information (*Optional*).

5. Authentication Procedure

The authentication is processed by three stages as follows (with estimated timeframe):

STAGE 1: Examination of "Application Documents"

STAGE 2: Examination of the WORK (The Foundation is entitled to retain the WORK for 80 working days or longer if needed.)

STAGE 3: Production and issue the Authentication Report (30 working days or longer if needed.)

- (1) **STAGE 1:** Examination of "Application Documents" (2026/04/01 – 2026/05/31)
 - a. The application period extends from April 1, 2026, to May 31, 2026. Starting in July 2026, the Foundation will notify applicants the results of the first-stage review, indicating whether the "Application Documents" is accepted or declined for the second-stage physical authentication of the WORK.
 - b. The applicant shall not modify the forms and content within this application. Violators' application will be refused.
 - c. Once submitted, the "Application Documents" will not be returned, regardless of the result from STAGE 1 review.
- (2) **STAGE 2:** Examination of the WORK (The Foundation is entitled to retain the WORK for 80 working days or longer if needed.)
 Submittal Period: The Foundation will notify individual applicant with detailed instruction for STAGE 2 authentications.
 - a. WORK – Delivery of the WORK and provision of the original Certificate of Authenticity from previous owner(s)
 - (a) The WORK shall be delivered to the designated location within the designated period of time for examination by the Foundation. Should the Owner failed to deliver the WORK within 3 working days after receiving the relevant reminder from the Foundation, the Foundation may forthwith terminate all subsequent operation of the authentication, in which case, no payments received from the Owner will be refunded.
 - (b) Upon the receipt of the WORK, which is submitted to the Foundation for the request of authentication by the owner or his or her designate (with a Letter of Authorization duly signed by the owner in the Foundation-prepared template), the Foundation will photograph the WORK to file the condition and issue the

³ To be affixed by the Foundation: Payment shall be wired upon receiving written notice of STAGE 1 result, and the receipt for remittance shall be faxed to the Foundation.

Evidence of Receipt addressed to the owner, which it will be presented to the Foundation to retrieve the WORK.

- (c) If Certificate of Authenticity from previous owner(s) is available, the original copy is required.
 - (d) During the period in which the WORK and the original Certificate of Authenticity from previous owner(s) are retained at the Foundation, the WORK and the Certificate of Authenticity shall be protected with existing security measures. In cases of theft or damages caused by unlawful intrusion, force majeure, or limitations of existing security measures, the Foundation shall not be held liable.
 - (e) The Foundation may, where necessary and/or in consideration of the examiner's opinion, extend the schedule for retaining the WORK. In such case, the Foundation will keep the Owner informed of the reason(s) for and the duration of the extension.
- b. WORK – Retrieval of the WORK and the original Certificate of Authenticity from previous owner(s)
- (a) The applicant or his or her designate (with a Letter of Authorization duly signed by the owner in the Foundation-prepared template) shall retrieve the WORK and the original Certificate of Authenticity from previous owner(s) with the reserved copy of Evidence of Receipt within 10 working days after receiving phone notification from the Foundation.
 - (b) The applicant hereby acknowledges that the color and luster of photograph of the WORK taken when it is submitted to the Foundation may vary from its true ones due to the different models of the equipment and the circumstances of lighting. When retrieving the WORK, the verification conducted shall be based on the actual conditions of the color of the WORK, and the retrieval will be allowed if the WORK is confirmed without defect.
 - (c) Under the circumstances that the applicant is unable to retrieve the WORK or the original Certificate of Authenticity in the aforementioned period, the advanced notice to the Foundation including the length and the reason(s) of extension shall be given, and the consent from the Foundation shall be acquired; otherwise, the Foundation shall be exempted from any responsibilities of security of the WORK or the original Certificate of Authenticity if the aforementioned retrieval has been overdue for 10 working days.
- (3) **STAGE 3:** Authentication Report (30 working days or longer if needed.)
- a. After the examination is completed and the WORK is returned to the Owner, the Foundation will issue an Authentication Report by mail addressed to the Owner. The Owner is required to sign the acknowledgement form attached to the

- Authentication Report and return the signed form to the Foundation by mail.
- b. The applicant understands that the authentication results may vary, including GENUINE, FORGERY, CANNOT BE DETERMINED, NOT CREATED NOR PRODUCED BY JU MING and OTHERS (as determined by the Foundation based on specific circumstances). When the Foundation issues a report indicating CANNOT BE DETERMINED, the Foundation may continue to collect, compare and confirm information related to the report pertaining to the WORK. When evidence constitutes modification of the authentication result, the Foundation may notify the original applicant for assistance on the subsequent authentication process. The authentication result may be updated to GENUINE, FORGERY, NOT CREATED NOR PRODUCED BY JU MING or OTHERS based on the new findings.
- (4) The Foundation will, in principle, issue the Authentication Report on the same WORK once only. If, as confirmed by the Foundation, the WORK being sought for authentication was examined by the Foundation before, which examination was completed with an Authentication Report issued, the Foundation will issue a written notice to the Owner seeking authentication of the WORK of the result of the Authentication Report issued before and not re-issuing the Authentication Report.
- (5) If any changes of the ownership have occurred when the authentication work is completed, the original applicant will still be deemed as the receiver of the WORK returned and the Authentication Report; nevertheless, the aforementioned provision shall not apply to such a case that the application of the change of the ownership has been submitted by the applicant and approved by the Foundation.
- (6) The Foundation may, where necessary or in consideration of the examiner's opinion, extend the schedule for producing the Authentication Report.

6. Authentication Fees and Payment

- (1) Authentication Fees: USD 4,000 in total.
- After receiving the official notice from the Foundation about the result of STAGE 1 and notification for submitting the WORK for authentication, the applicant shall pay the Authentication Fees in full 7 days before the WORK reaches the Foundation. The remittance slip must be scanned and emailed or faxed to the Foundation. Under the circumstances that the Authentication Fees fail to be paid within the required period, the Foundation shall be entitled to reserve the right to refuse to accept the WORK as well as the right to terminate the working procedure of the Authentication.
- Gentle Reminder: Remitters shall pay the beneficiary/agent banks' service charges. We expect to receive the full amount of payment.
- (2) Payment
- Please have the fees payable paid by wire transfer over the counter or via an ATM into the following account:
- Bank: Cathay United Bank, Taipei, Taiwan

Bank address: 3F, No. 65, Guan Chien Rd., Taipei, Taiwan R.O.C.

A/C No.: 002081266789

A/C Holder: Juming Culture and Education Foundation

SWIFT CODE: UWCBTWTP

(3) Accounting and Application of Fees Payments Received

The Foundation shall issue the uniform invoice for the Authentication Fees to the applicant.

7. Inquiries

No inquiry into the authentication work being performed during the process of the authentication work will be entertained.

8. Disputes, Modification of Authentication Results, and Liability Concerning Authentication

(1) In the event that the applicant disagrees with the authentication results provided by the Foundation, the applicant shall file the claim for disputes in written format within one month of the day after receiving the Authentication Report. The written claim shall be filed through registered mail with acknowledgement by return. The Foundation will not accept any claims filed after the above referenced time frame.

(2) The applicant acknowledges the non-profit nature of the authentication service provided by the Foundation and understands that the complexity of each authentication case may vary. The Foundation conducts authentication using its existing personnel and equipment, which require continuous improvement. The authentication results are for reference only.

(3) The Foundation continues to develop expertise and database as well as upgrade technology and equipment concerning authentication. From time to time, the Foundation reviews evidence concerning existing and new findings while randomly examining and reviewing past authentication results. The applicant agrees that the Foundation reserves the right to revoke, modify, append or amend the issued Authentication Reports. The applicant agrees to cooperate with the Foundation on the necessary operation, including but not limited to checking the circulation history and relevant information of the WORK, resubmitting the WORK for evaluation, and returning or replacing the Authentication Report.

(4) If the applicant provides concrete evidence proving that the authentication result issued by the Foundation is erroneous and such error is confirmed by the Foundation, or if the Foundation revokes, modifies, supplements, or amends the authentication result, or if any intentional or negligent act occurs during the authentication process that results in harm or loss of rights to the applicant, the applicant may submit supporting evidence and a written statement of reasons to apply for a full refund of the Authentication Fee paid. The refund shall include interest calculated at an annual rate of 5%, with the total amount of the refund and interest capped at USD 8,000 (no further interest shall accrue beyond this amount). The applicant further agrees that USD 8,000 shall constitute the

maximum liability of the Foundation, its representatives, and relevant personnel for any damages incurred by the applicant. Upon verifying the validity of the refund application, the Foundation shall process the refund and interest payment within one month. Apart from applying for a refund and interest in accordance with the above terms, the applicant agrees not to make any claims, demands, or initiate any civil or criminal proceedings against the Foundation, its representatives, or related personnel. The applicant also agrees not to make any statements or engage in actions that may damage the reputation of the Foundation, its representatives, or related personnel. Should the applicant, beyond applying for the agreed refund and interest, nonetheless make claims, demands, or initiate civil or criminal proceedings against the Foundation, its representatives, or related personnel, or engage in statements or actions that harm their reputation, the applicant shall be liable for damages. This liability shall specifically include, but not be limited to, legal fees, transportation and travel expenses, as well as property and non-property damages incurred by the Foundation, its representatives, and relevant personnel in defending against such claims or legal actions.

9. Miscellaneous

(1) Stolen Goods and Illegal/Irregular Activities

Under the following circumstances, the Foundation is entitled to notify the judicial authorities concerned for examination and terminate the working procedure of the authentication in the meantime without returning any fee paid by the applicant.

- a. on suspicion over the WORK proposed for authentication being the object of theft;
- b. upon information of the Owner having provided untrue information or made false representation to the Foundation;
- c. the applicant knowingly submits the WORK for authentication despite being aware that it is a counterfeit;
- d. upon information of a possible violation of law.

(2) Use and the Publication of Information

The Foundation is entitled to share the related information of the WORK including but not limited to the photo, title, material, size, weight, indicated edition number, and indicated date, under authentication with the public for their reference. Nevertheless, the applicant's personal information, such as the name, passport number, date of birth, address of contact, phone number, and any others submitted for the purpose of the request of the authentication, shall only be used by the Foundation to contact the applicant and promote its businesses in accordance with the Personal Information Protection Act. Therefore, except acquiring the consent from the applicant or during the process of the judicial inquiry, by no means will the Foundation make it accessible to the public on its own behalf.

(3) No Onsite Examination of the WORK

No request for the Foundation to perform the examination of any WORK outside of the

premises of the Foundation will be entertained.

(4) Revision

The Foundation may from time to time revise these Guidelines & Instructions. Owners are advised to prepare the “Application Documents” in accordance with the Guidelines & Instructions effective on the scheduled request date.

(5) Copies and Forms
